“Let's face it. Traders in the stocks, futures, options, or FOREX markets are dead meat if they aren't profiting from the astro-trading advantage!” That's what Tim Bost, editor of FinancialCyclesWeekly.com newsletter and author of Mercury, Money and the Markets, says it takes to survive in today's increasingly treacherous trading environment. “I've been working with planetary factors in market timing for over a quarter of a century,” he says, “and I've never seen the odds stacked against individual traders more than they are now. To compete with market manipulation on a massive scale and the onslaught of high-frequency trading robots, you've got to have market timing tools that give you the agility and tactical superiority of a trading guerrilla.” That's what astro-trading is all about, and that's the focus in Mercury, Money and the Markets. It's aimed at short-term swing traders who want to level the playing field with high-precision, back-tested timing methods that most market players haven't even heard about! In Mercury, Money and the Markets, Bost reveals the impact of Mercury cycles on price trends and reversals in equities, precious metals, and international markets on 5 continents. He also provides detailed analysis of 30 major blue-chip stocks, showing the individual idiosyncrasies in their responses to repeating Mercury cycles. With dozens of charts and examples throughout the book, he makes a compelling case for the importance of this often-overlooked component of financial astrology, elevating it to a new level as a powerful market timing tool that can make the difference between disaster and success in high-pressure trading. But Tim Bost doesn't stop there. He understands that effective trading involves more than just knowledge of the markets and correct analysis of trading opportunities-- it also requires sufficient self-awareness to be able to maintain emotional equanimity under fire. So he

adds plenty of unique information here about how astro-traders can use Mercury to better understand their personal horoscopes, gaining higher degrees of trading confidence. It's a perspective unavailable from any other source. Because he's a pioneering astrological researcher as well as an active trader and trading coach, Tim Bost has uncovered significant planetary dynamics to take this advanced astro-trading sourcebook far beyond the common material found in most books on stock market astrology. It includes transneptunian factors, 90-degree dial analysis, nontraditional planetary angles and a great deal more. And it features tips on deciphering the trading code in W. D. Gann's strangest book, the role of Mercury in First-Trade horoscope analysis, and the money-making truth about the times when Mercury is retrograde. Mercury, Money and the Markets is also a book with lots of charm and intelligence. Bost is an excellent storyteller, so he makes the effects of Mercury come alive with examples from business, the markets, and personal experience. He also contributes his scholarly skill to this book, dipping back into the myths of antiquity to revive an ancient esoteric text that has surprising effectiveness in precisely timing trades today! This is a book to read and enjoy, and a valuable text filled with big payoffs for the active short-term trader. But it's also a book that you'll come back to again and again, since it features a unique cross-indexed Mercury Station Ephemeris that spans 201 years. In other words, while it's packed with energy and information you can use today for immediate profit, it has a long shelf life, too! If you're an astrologer looking for a way to make money, this may not be the book for you, since it's loaded with brass-tacks, down-to-earth insights about what it actually takes to profit from astro-trading. It will stretch your awareness well past the limits of what you thought astrology was all about. But if you're a trader who needs an extra edge, then run, don't walk, to get this book!

About the Author In Paul Farrell's 1993 book "Think Astrology Grow Rich," Tim Bost was highlighted as one of the pioneers of what Business Week magazine called "the dawning of the Age of Financial Astrology." Since that time, Tim has gained an international reputation as one of the most innovative thinkers and insightful teachers in financial astrology today. His FinancialCyclesWeekly.com newsletter is eagerly read by traders, investors, and astrologers around the world and is often quoted in Barron's and other mainstream financial publications. Tim Bost has often been featured as a guest commentator on Michael Yorba's Commodity Classics television show and The Traders' Network radio program, and he has also been a regular contributor to the Traders' Astrological Almanac for many years. His BASIC STOCK MARKET ASTROLOGY HOME STUDY COURSE has helped students from all backgrounds get started in profitable astro-trading. He has had a wide and enthusiastic response to his books, monographs and recorded lectures, including "Gann Secrets Revealed," "How to Find the Money in Your Horoscope," "Creating Personal Wealth with Astrology," "Plan 9 for Inner Space," "How to Become a Stock Market Lunatic," and his regular series of publications on solar eclipses and their impact on market dynamics. Tim Bost's core understanding that financial issues and opportunities consistently impact individuals as well as businesses, markets, and economies led him to develop the concept of Person-Centered Financial Astrology, which focuses on the unique roles that individuals can play in creating dramatic financial change when they tap into their own creative intelligence and spirituality. Individual spiritual potential is also the central theme of his contributions to PracticalSpiritualAstrology.com. A native of North Carolina with over 40 years of experience in astrology, Tim Bost has lived in the Sarasota, Florida area since 1996. He has earned the highest levels of certification from several professional associations, including the ISAR Certified Astrological Professional designation, the NCGR Level 4 certification, and the professional level certification from the American Federation of Astrologers. He has also been a featured speaker at conferences and workshops throughout the U.S. and in Europe, and regularly works with individual and business clients, providing a variety of coaching and consultation services.
